DEMOCRAT  FOR CONGRESS

ON OR BEFORE JUNE 28

I'M RUNNING FOR CONGRESS TO
**BREAK THE CYCLE
 OF INACTION IN D.C.**
 AND PASS POLICIES THAT MAKE SENSE *FOR US.*

ME

-  I refuse all PAC and special-interest donations.
-  I'm fighting to save Medicare and Social Security (before the system as we know it ends in **12 YEARS**). Any politician who is ignoring this issue doesn't deserve to hold public office.
-  I want to build an economy that protects American jobs and pays our workers living wages.

MY OPPONENT

-  He has raised millions of dollars from corporate PACs.¹ With \$13 million in the bank, why does he need corporate money?
-  During his six years in office, he has not protected seniors or Medicare.² **How is protecting Medicare not a priority for every member of Congress?**
-  He voted for Donald Trump's trade deal that cost Americans their jobs³ and (according to his website on 5/12/22) he champions a minimum wage of \$10.10 per hour.⁴
